

## WHAT TO DO IF YOU COME DOWN WITH COVID-19

If you start to have symptoms of COVID-19, please get tested to verify your diagnosis.

If you DO NOT have COVID-19, please stay home until you are feeling better.

If you HAVE COVID-19, follow your Doctor's instructions. If you have been to Christ Lutheran Church during the fourteen days (14) before you got sick.

PLEASE CALL LYNN MCKENRICK AT 909-544-0035. All information will be kept CONFIDENTIAL. We will need to start contact tracing. This is a CDC regulation.

Thank you so much.....Stay safe!

### CLC Response to a COVID-19 Case

1. If an Attendee, Worship Volunteer, or CLC Staff member notifies the Church that they have tested positive for COVID-19 or have been in contact with a person who has tested positive for COVID-19, advise them to immediately isolate themselves from their household and contact public health officials (800) 564-8448 for treatment and further contact tracing protocols.
2. Then, CLC will call all those known to have been seated in the same area of the patio as the person who tested positive or was in contact with a person who tested positive. Advise those with [exposure](#) to a person diagnosed with COVID-19 to [stay home and self-monitor](#) for symptoms, and follow [CDC guidance](#) if symptoms develop.
3. CLC will close off areas used by the [sick](#) person and will not use the area until after cleaning and disinfection. CLC will ensure [safe and correct application](#) of disinfectants.
4. CLC will advise persons with [symptoms](#) of COVID-19 or who have tested positive for COVID-19 not to return to the facility until they have met CDC's [criteria to discontinue home isolation](#).
5. CLC is responsible for understanding contact tracing guidelines for [California](#) and the [CDC](#). We are also responsible for holding the contact information of attendees, with great discretion regarding privacy, and will work with local public health authorities in any necessary contact tracing procedures.
